## PROFESSIONAL EXPERIENCE

### Aramark

*Analyst, Global Supply Chain Co-op*

**Philadelphia, PA**  
April 2024-August 2024

- Managed Sysco catalogs for over 6,000 accounts across the United States.
- Directed product requests from locations to matching SPEC items, maximizing Aramark's rebates.
- Contributed to millions of dollars of production for Aramark Supply Chain through rebate sales.
- Assisted the Culinary Innovation team by attending cuttings, taste testing, and evaluating products from potential business partners.
- Resolved catalog connection issues for customer vendors, ensuring seamless product ordering at various locations.

### Lockheed Martin, RMS

*Delivery Manager Co-op/Business Analyst*

**Moorestown, NJ**  
April 2023- September 2023

- Oversaw 800+ orders concurrently, coordinating deliveries from 97 suppliers.
- Solved issues related to faulty orders by acting as a liaison between suppliers and Lockheed Martin location managers.
- Streamlined processes for 11 key reports, presenting critical data to upper management daily.
- Parts and supplies managed were used in the production of helicopters, defense radars, and maritime systems for the US government and over 50 allied countries.

### OWM Integrative Wellness

*Accounting Internship*

**Buffalo, NY**  
June 2022 – August 2022

- Monitored daily income across various revenue categories using Excel spreadsheets.
- Collected data from QuickBooks and Wellness Living software, reporting it in a central location.
- Collaborated with managers to devise efficient expense tracking methods, aligning expenses with profits.
- Addressed invoice and receipt disorganization by implementing a digital filing system.

### It's Nothin' Mulch - Landscape Company

*Co-Founder*

**Buffalo, NY**  
May 2019 – September 2021

- Established and operated a landscaping business with two partners, emphasizing affordability and personalized service over the pre-existing companies.
- Mulched, weeded, and meticulously maintained over 20 clients' yards, prioritizing customer satisfaction.
- Provided accurate quotes to potential clients based on supply costs, yard size, and specific requests.
- Cultivated relationships with local mulch suppliers to secure wholesale pricing.
- Developed the company's brand, including logo design, social media presence, and team uniforms.
- Simultaneously tracked clients and income using Excel, calculating the most profitable combinations of services with our time.
